 Broadcasting Real-Time Auctions

Real time bidding & proxy bidding available.

Log onto www.DVAuction.com for bidding information.

Dear Charolais Friends,

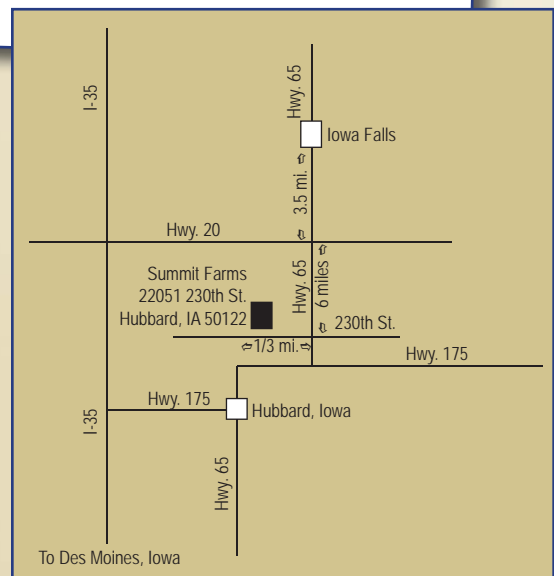

Every year as we start assembling the genetics for the Northern Exposure, I ask the past consignors and myself, "How do we keep this level of commitment going? How do we find the unbelievable quality coming year after year?" Then the registration certificates start rolling in, the pictures start coming across the computer screen, the "where can I find a great one?" calls start coming, ads and catalog are put together, and next thing I know it's all right there in front of us again!

I can't begin to tell you how excited I am about selling this set of genetics during the Northern Exposure! Just flip through this catalog a couple of times. Don't stop at each lot or picture, just start flipping through the pages from start to finish, gazing at the pictures. If that doesn't excite your cattle blood, maybe you shouldn't be in the business. Now go back and start reading through these pedigrees, footnotes and history. It's all here.

Each year, in this catalog letter I have talked about the youth involved with this sale. Not just the young juniors that buy heifers out of this sale each year, but the young people that have been around this sale since its inception. The ones that we have watched grow up, show cattle, pursue their dreams, find success, make it a big part of their life! I know I'm going to age myself here, but if you know me, you know "if you can't take it, don't dish it out." Chad, Chris, Rodney and Kim at the Junior Nationals in their teens, I wouldn't have given you a nickel for the group of them at the time! But was I wrong! And now the next generation is coming along and finding their way — Cally Thomas, Cassy Balvitsch, Sydney Zehnder, Haley Stalcup, Charlie Eklund, the Effling girls. Excelling in leadership skills, leading State Fair Champions, Supreme Champions and National Champions! It doesn't get any better or does it just keep moving on? Yep, here they come and they'll be running all around the Northern Exposure — Brooke & Desirae Polzin, Samantha Gerlach, Shade & Breeze Bunker, Cole Balvitsch, and Natalia Zehnder.

We all look forward to seeing each and every one of you at this next edition of the Northern Exposure and once again our collective thanks to Bruce Rastetter and the Summit Farms staff for hosting this sale. We appreciate you!

Greg Hubert

- There are so many features in this sale, where do you start?
- Let's just start with a flush out of a female produced by our host farm.
- This superior, young donor topped Summit Farms' consignments to the 2010 Northern Exposure, selling to Big H for \$16,500 after a heated bidding war we hadn't seen in quite some time.
- Her dam was purchased by Summit Farms out of the 2007 National Charolais Sale for \$16,000 as the "Choice of the HooDoo Herd" at Camp Cooley Ranch, and this female was the first Fire Water progeny produced for Summit Farms.
- Summit Ms HooDoo 9198, known as "Aggie," was flushed as a virgin heifer to Monopoly and produced three embryos with one pregnancy. That outstanding calf is pictured here. He was the top seller in Big H's online sale last fall for \$10,000 to Texas!
- This donor has averaged nine embryos per flush since calving and will have many ETs on the ground this fall and next spring.
- **Terms of flush:** The flush is a guarantee of six grade #1 embryos with a cap of 12 and split all embryos over 12. She will be ready to flush at Trans Ova in Chillicothe, Mo., in January, and the flush must be completed by May 2013.

- Yes, your choice from this awesome set of Fire Water ETs out of the most famous cow family in the modern Charolais era – Thomas Ms Impressive 0641!
- These heifer calves have impressed all visitors to Summit Farms.
- Their dam, Thomas Ms Prime 2561M, is a daughter of 0641 and has been powerful in her production.
- Ms Prime 2561 is a maternal sister to our last two National Champion Females, Firegirl and Ivory Angel, a Reserve National Champion Bull, Rapid Fire, and our current National Champion Bull Turton!

- This is it!
- Where do you start when telling the lore and history of these full sibs?
- By far, the most consistent and successful mating that Polzin & Thomas have ever been involved with.
- They are full sisters to the National Champions PZC TR Bomshell, Firegirl, Rapid Fire, Ivory Angel and Turton!
- Full sisters have sold in the last three Northern Exposure sales for \$14,000, \$10,500, \$16,000, \$17,500, \$13,000 and \$26,000. Two more full sisters have topped the last two National Charolais Sales at \$50,000 and \$76,000!
- The Effling girls have shown full sisters to the Supreme Champion Female honors at the South Dakota Spotlight Show for the amazing third straight year. Congrats Cagney, Chesney and Kenidey "Orange."

- An opportunity to purchase a proven, young donor with unlimited earning potential.
- WDZ Skittles was one of the first progeny of #0641 to hit the showing and, in what has become the #0641 progeny fashion, gathered up the purple along the way.
- Skittles has not slowed down since she left the tanbark, going from gathering the purple to gathering the green!
- Her first calf, WDZ Twizzler, sold in the 2010 National Sale for \$12,000, and then she turned around and produced a class winner at the 2012 Junior Nationals.
- The first two female ET progeny to hit the ground sold in last year's 2011 Northern Exposure for \$10,500 and \$14,000, and one male ET calf was selected the 2011 National Spring Bull Calf Champion in Louisville.
- Skittles has been a consistent embryo producer having averaged 10 embryos on four flushes in 2011.
- She is due to calve in mid-October, so won't be at the sale location, but will be ready to start banking embryos for the new owner. Skittles will remain at Zehnder Cattle.

- An outcross on the top side, combined with the well-established blood that has made this sale famous.
- Their sire's progeny caught many breeders' attention in the 2011 Eggleston Charolais Bull Sale, producing numerous high-selling purebred herd sires. He stamps his progeny with dynamic hip and hind leg structure, along with tremendous rib and depth of body.
- These heifer calves combine the power and balance the Skittles progeny are becoming known for with the capacity and hip of T077.
- Think of the mating opportunities this pedigree offers!

- Northern Wind was the 2010 National Champion Bull.
- A daughter purchased by James Sparks in last year's sale has taken home several banners this past year.
- Katelyn has produced many sale highlights at the Northern Exposure.
- Recently her son was crowned the 2012 Junior National Grand Champion Bull.

- Her is another member of the cow family that has been highly successful for the Coudrons at Northern Exposure sale after sale.
- The Kate T07K line has many success stories, including two T07K granddaughters that sold in last year's sale for \$7,500 and \$16,000. In the 2010 Northern Exposure maternal sisters sold for \$7,750 and \$8,250.
- This young April heifer is a full sister to CC Katelyn 8107, the 2010 Supreme Champion Female at the Minnesota State Fair, a highly competitive event, and the 2010 AIJCA Junior National Champion Cow/Calf Pair.

- Cruel Girl is the best daughter of M6 Ms E46's Duke 248 we have ever seen! Just look at her picture, we are spot on for this one.
- Her balanced EPDs combined with her stunning profile make her an industry-leading donor for purebred or club calf production.
- For that reason PZC Cruel Girl sells with the buyer's choice of two units of Diablo or two units of the recently deceased Monopoly.
- She sells open ready to continue flushing at Polzin Embryo Center if the new buyer would like.
- Now turn your attention to her powerhouse daughter that will sell separately. She offers a great genetic package for the progressive breeder.

 Donnyweir Amethyst 5N

- A flawless September Fire Water out of a powerful Canadian-bred dam.
- Fire Water x D040... sound familiar?
- Wat-Cha Keep Up has produced a Canadian National Champion Bull, and Fire Water's list of National Championship just continues to grow.
- It is no wonder that Lexie looks as good as she does.
- She'll be fun to show and will be a money-making machine in the future.

- Hot Tamalie is an appropriate name for a Fire Water daughter.
- Her dam is a maternal sister to the National Champion Blizzard and was produced from a set of embryos purchased by Jeff Jaderborg in the very first Northern Exposure sale.
- Hot Tamalie stood third in a class of ten head at the Junior National.
- Korbin has entered her in the American Royal show in Kansas City in one month and would like to retain one flush in her.

WCR Prime Plus 186 P
Orr's Ms Nancy Z38 Pld ET

- This heifer has the "wow" factor both phenotypically and in her pedigree.
- These Monopoly x Charolais crosses work and win, and this one is no exception.

WCR Miss Duke 8803 ET

- These two ET percentage heifers are going to break some hearts.
- They are bred for greatness as their previous sibs have done.
- Their full sib sold in last year's Northern Exposure for \$3,000 and was the 2012 Missouri State Fair Reserve Grand FFA Charolais Steer and an AIJCA Junior National Steer Show Class Winner.

- A neat silver-haired composite heifer that is a full sib to the Thomas Ranch bull, Goldmine, who sold for \$30,000.
- Hot Cocoa is sired by the popular Maine bull, Lifeline, and out of the proven donor J349, who was a top-end donor for Thomas Ranch.

 Baldrige Fastrack 82F
 DCR Miss Con 80

- This composite heifer is sired by the hottest young sire in the club calf industry.
- Her dam is the many-time champion Smokette, who just happens to be one of the breed's most stunning females.
- Red Hot Diva is a maternal sister to WOW Factor, who was just named the 2012 Ohio State Fair Grand Champion Steer for Danielle Heintz and then sold for \$70,000!
- Red Hot Diva is super fancy and will only get better with days.
- If you enjoy the purple, have fun with this one.

 GCR Miss Supreme V645

- Check out these two outstanding Monopoly-sired heifer prospects out of our already successful Charolais donor dam, Grace.
- Their maternal sister, sired by Milkman, was the 2010 Northern Exposure high-selling composite heifer going to Daniel Hornung, Hubbard, Iowa.
- They are bringing their best 2012 heifer. Sunset 210 can run with any percentage Charolais heifers or commercial heifers. She is sound as a cat, big-bodied and has an excellent front end.
- If you like a more moderate heifer, Sunrise 205 is your girl.
